Are the units, common elements, and recreation facilities complete (including any planned rehabilitation for a condominium conversion)?	☒ Yes ☐ No If No, describe										
Is there any commercial space in the project?	☐ Yes ☒ No If Yes, describe and indicate the overall percentage of the commercial space. _____										

Individual Condominium Unit Appraisal Report

3519103
File No. 03260014

PROJECT INFORMATION

Describe the condition of the project and quality of construction. THE PROJECT IS IN AVERAGE CONDITION, OF AVERAGE QUALITY CONSTRUCTION, AND AVERAGE MARKET APPEAL.

Describe the common elements and recreational facilities. MANNED ENTRY, POOL, GYM, TENNIS COURT, COMMON AREAS/ELEMENTS

Are any common elements leased to or by the Homeowners' Association? Yes No If Yes, describe the rental terms and options.

Is the project subject to a ground rent? Yes No If Yes, \$ per year (describe terms and conditions)

Are the parking facilities adequate for the project size and type? Yes No If No, describe and comment on the effect on value and marketability.

PROJECT ANALYSIS

I did did not analyze the condominium project budget for the current year. Explain the results of the analysis of the budget (adequacy of fees, reserves, etc.), or why the analysis was not performed. The appraiser was unable to obtain the current budget and/or minutes. It is suggested that the owner and/or client review the documents, estoppel letter and/or condominium questionnaire in order to be informed of any current, proposed budget changes and/or pending litigations which could have an affect on future pricing. The appraiser was unaware of any current, proposed budget changes and/or pending litigations.

Are there any other fees (other than regular HOA charges) for the use of the project facilities? Yes No If Yes, report the monthly facility charges and describe.

Compared to other competitive projects of similar quality and design, the subject unit charge appears High Average Low If High or Low, describe.

Are there any special or unusual characteristics of the project (based on the condominium documents, HOA meetings, or other information) known to the appraiser? Yes No If Yes, describe and explain the effect on value and marketability.

UNIT DESCRIPTION

Unit Charge \$ 2,128.00 per month X 12 = \$ 25,536 per year Annual assessment charge per year per square feet of gross living area = \$ 16.49

Utilities included in the unit monthly assessment None Heat Air Conditioning Electricity Gas Water Sewer Cable Other (describe)

BUILDING EXTERIOR, COMMON AREA, LANDSCAPING, & TRASH REMOVAL

GENERAL DESCRIPTION	INTERIOR materials/condition	AMENITIES	Appliances	CAR STORAGE

Individual Condominium Unit Appraisal Report

3519103
File No. 03260014

This report form is designed to report an appraisal of a unit in a condominium project or a condominium unit in a planned unit development (PUD). This report form is not designed to report an appraisal of a manufactured home or a unit in a cooperative project.

This appraisal report is subject to the following scope of work, intended use, intended user, definition of market value, statement of assumptions and limiting conditions, and certifications. Modifications, additions, or deletions to the intended use, intended user, definition of market value, or assumptions and limiting conditions are not permitted. The appraiser may expand the scope of work to include any additional research or analysis necessary based on the complexity of this appraisal assignment. Modifications or deletions to the certifications are also not permitted. However, additional certifications that do not constitute material alterations to this appraisal report, such as those required by law or those related to the appraiser's continuing education or membership in an appraisal organization, are permitted.

SCOPE OF WORK: The scope of work for this appraisal is defined by the complexity of this appraisal assignment and the reporting requirements of this appraisal report form, including the following definition of market value, statement of assumptions and limiting conditions, and certifications. The appraiser must, at a minimum: (1) perform a complete visual inspection of the interior and exterior areas of the subject unit, (2) inspect and analyze the condominium project, (3) inspect the neighborhood, (4) inspect each of the comparable sales from at least the street, (5) research, verify, and analyze data from reliable public and/or private sources, and (6) report his or her analysis, opinions, and conclusions in this appraisal report.

INTENDED USE: The intended use of this appraisal report is for the lender/client to evaluate the property that is the subject of this appraisal for a mortgage finance transaction.

INTENDED USER: The intended user of this appraisal report is the lender/client.

MARKET VALUE: The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he or she considers his or her own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U. S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale.

*Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgment.

STATEMENT OF ASSUMPTIONS AND LIMITING CONDITIONS: The appraiser's certification in this report is subject to the following assumptions and limiting conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it, except for information that he or she became aware of during the research involved in performing this appraisal. The appraiser assumes that the title is good and marketable and will not render any opinions about the title.
2. The appraiser has provided a sketch in this appraisal report to show the approximate dimensions of the improvements. The sketch is included only to assist the reader in visualizing the property and understanding the appraiser's determination of its size.
3. The appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in this appraisal report whether any portion of the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.
4. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.
5. The appraiser has noted in this appraisal report any adverse conditions (such as needed repairs, deterioration, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property or that he or she became aware of during the research involved in performing this appraisal. Unless otherwise stated in this appraisal report, the appraiser has no knowledge of any hidden or unapparent physical deficiencies or adverse conditions of the property (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) that would make the property less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, this appraisal report must not be considered as an environmental assessment of the property.
6. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that the completion, repairs, or alterations of the subject property will be performed in a professional manner.

Individual Condominium Unit Appraisal Report

3519103
File No. 03260014

APPRAISER'S CERTIFICATION: The Appraiser certifies and agrees that:

1. I have, at a minimum, developed and reported this appraisal in accordance with the scope of work requirements stated in this appraisal report.
2. I performed a complete visual inspection of the interior and exterior areas of the subject property. I reported the condition of the improvements in factual, specific terms. I identified and reported the physical deficiencies that could affect the livability, soundness, or structural integrity of the property.
3. I performed this appraisal in accordance with the requirements of the Uniform Standards of Professional Appraisal Practice that were adopted and promulgated by the Appraisal Standards Board of The Appraisal Foundation and that were in place at the time this appraisal report was prepared.
4. I developed my opinion of the market value of the real property that is the subject of this report based on the sales comparison approach to value. I have adequate comparable market data to develop a reliable sales comparison approach for this appraisal assignment. I further certify that I considered the cost and income approaches to value but did not develop them, unless otherwise indicated in this report.
5. I researched, verified, analyzed, and reported on any current agreement for sale for the subject property, any offering for sale of the subject property in the twelve months prior to the effective date of this appraisal, and the prior sales of the subject property for a minimum of three years prior to the effective date of this appraisal, unless otherwise indicated in this report.
6. I researched, verified, analyzed, and reported on the prior sales of the comparable sales for a minimum of one year prior to the date of sale of the comparable sale, unless otherwise indicated in this report.
7. I selected and used comparable sales that are locationally, physically, and functionally the most similar to the subject property.
8. I have not used comparable sales that were the result of combining a land sale with the contract purchase price of a home that has been built or will be built on the land.
9. I have reported adjustments to the comparable sales that reflect the market's reaction to the differences between the subject property and the comparable sales.
10. I verified, from a disinterested source, all information in this report that was provided by parties who have a financial interest in the sale or financing of the subject property.
11. I have knowledge and experience in appraising this type of property in this market area.
12. I am aware of, and have access to, the necessary and appropriate public and private data sources, such as multiple listing services, tax assessment records, public land records and other such data sources for the area in which the property is located.
13. I obtained the information, estimates, and opinions furnished by other parties and expressed in this appraisal report from reliable sources that I believe to be true and correct.
14. I have taken into consideration the factors that have an impact on value with respect to the subject neighborhood, subject property, and the proximity of the subject property to adverse influences in the development of my opinion of market value. I have noted in this appraisal report any adverse conditions (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) observed during the inspection of the subject property or that I became aware of during the research involved in performing this appraisal. I have considered these adverse conditions in my analysis of the property value, and have reported on the effect of the conditions on the value and marketability of the subject property.
15. I have not knowingly withheld any significant information from this appraisal report and, to the best of my knowledge, all statements and information in this appraisal report are true and correct.
16. I stated in this appraisal report my own personal, unbiased, and professional analysis, opinions, and conclusions, which are subject only to the assumptions and limiting conditions in this appraisal report.
17. I have no present or prospective interest in the property that is the subject of this report, and I have no present or prospective personal interest or bias with respect to the participants in the transaction. I did not base, either partially or completely, my analysis and/or opinion of market value in this appraisal report on the race, color, religion, sex, age, marital status, handicap, familial status, or national origin of either the prospective owners or occupants of the subject property or of the present owners or occupants of the properties in the vicinity of the subject property or on any other basis prohibited by law.
18. My employment and/or compensation for performing this appraisal or any future or anticipated appraisals was not conditioned on any agreement or understanding, written or otherwise, that I would report (or present analysis supporting) a predetermined specific value, a predetermined minimum value, a range or direction in value, a value that favors the cause of any party, or the attainment of a specific result or occurrence of a specific subsequent event (such as approval of a pending mortgage loan application).
19. I personally prepared all conclusions and opinions about the real estate that were set forth in this appraisal report. If I relied on significant real property appraisal assistance from any individual or individuals in the performance of this appraisal or the preparation of this appraisal report, I have named such individual(s) and disclosed the specific tasks performed in this appraisal report. I certify that any individual so named is qualified to perform the tasks. I have not authorized anyone to make a change to any item in this appraisal report; therefore, any change made to this appraisal is unauthorized and I will take no responsibility for it.
20. I identified the lender/client in this appraisal report who is the individual, organization, or agent for the organization that ordered and will receive this appraisal report.
21. The lender/client may disclose or distribute this appraisal report to: the borrower; another lender at the request of the borrower; the mortgagee or its successors and assigns; mortgage insurers; government sponsored enterprises; other secondary market participants; data collection or reporting services; professional appraisal organizations; any department, agency, or instrumentality of the United States; and any state, the District of Columbia, or other jurisdictions; without having to obtain the appraiser's or supervisory appraiser's (if applicable) consent. Such consent must be obtained before this appraisal report may be disclosed or distributed to any other party (including, but not limited to, the public through advertising, public relations, news, sales, or other media).

Individual Condominium Unit Appraisal Report

3519103
File No. 03260014

22. I am aware that any disclosure or distribution of this appraisal report by me or the lender/client may be subject to certain laws and regulations. Further, I am also subject to the provisions of the Uniform Standards of Professional Appraisal Practice that pertain to disclosure or distribution by me.

23. The borrower, another lender at the request of the borrower, the mortgagee or its successors and assigns, mortgage insurers, government sponsored enterprises, and other secondary market participants may rely on this appraisal report as part of any mortgage finance transaction that involves any one or more of these parties.

24. If this appraisal report was transmitted as an “electronic record” containing my “electronic signature,” as those terms are defined in applicable federal and/or state laws (excluding audio and video recordings), or a facsimile transmission of this appraisal report containing a copy or representation of my signature, the appraisal report shall be as effective, enforceable and valid as if a paper version of this appraisal report were delivered containing my original hand written signature.

25. Any intentional or negligent misrepresentation(s) contained in this appraisal report may result in civil liability and/or criminal penalties including, but not limited to, fine or imprisonment or both under the provisions of Title 18, United States Code, Section 1001, et seq., or similar state laws.

SUPERVISORY APPRAISER'S CERTIFICATION: The Supervisory Appraiser certifies and agrees that:

- 1. I directly supervised the appraiser for this appraisal assignment, have read the appraisal report, and agree with the appraiser’s analysis, opinions, statements, conclusions, and the appraiser’s certification.
- 2. I accept full responsibility for the contents of this appraisal report including, but not limited to, the appraiser’s analysis, opinions, statements, conclusions, and the appraiser’s certification.
- 3. The appraiser identified in this appraisal report is either a sub-contractor or an employee of the supervisory appraiser (or the appraisal firm), is qualified to perform this appraisal, and is acceptable to perform this appraisal under the applicable state law.
- 4. This appraisal report complies with the Uniform Standards of Professional Appraisal Practice that were adopted and promulgated by the Appraisal Standards Board of The Appraisal Foundation and that were in place at the time this appraisal report was prepared.
- 5. If this appraisal report was transmitted as an “electronic record” containing my “electronic signature,” as those terms are defined in applicable federal and/or state laws (excluding audio and video recordings), or a facsimile transmission of this appraisal report containing a copy or representation of my signature, the appraisal report shall be as effective, enforceable and valid as if a paper version of this appraisal report were delivered containing my original hand written signature.

A TRAINEE APPRAISER, DAVID YEPEZ, ASSISTED WITH NON-ANALYTICAL RESEARCH TASKS UNDER THE SUPERVISION OF THE SIGNING APPRAISER. THE TRAINEE DID NOT INSPECT THE PROPERTY, PERFORM VALUATION ANALYSIS, OR DEVELOP OPINIONS OR CONCLUSIONS.
DAVID YEPEZ, STATE-REGISTERED TRAINEE APPRAISER RI25184.

Summary of Sales Comparison Approach ONE ADDITIONAL COMPARABLE SALE IS PRESENTED TO SUPPORT THE SUBJECT'S CURRENT OPINION OF MARKET VALUE. FURTHERMORE, TWO ACTIVE LISTINGS ARE BEING PRESENTED TO ILLUSTRATE CURRENT ASKING PRICES FOR SIMILAR TYPE RESIDENCES LIKE THE SUBJECT.				
* THE ACTIVE LISTINGS PRESENTED REQUIRED A CORRESPONDING "LIST TO SALE PRICE RATIO ADJUSTMENT" *				
EXPOSURE TIME IS A "RETROSPECTIVE" OPINION, LOOKING BACK (FROM THE EFFECTIVE DATE) TO THE BEGINNING OF THE "HYPOTHETICAL" PROCESS OF SELLING THE ASSET, SO THAT THE SALE WOULD HAVE BEEN CONSUMMATED ON THE "EFFECTIVE DATE" OF THE APPRAISAL.				
SEVERAL ANALYSIS INDICATE THAT RESIDENCES "LIKE THE SUBJECT" IN THE IMMEDIATE MARKET PLACE / AREA HAVE BEGUN TO EXPERIENCE RELATIVELY STABLE PROPERTY VALUES. THIS INFORMATION IS BASED ON THE APPRAISER'S OWN KNOWLEDGE OF THE AREA, AND EXTENSIVE RESEARCH OF ALL AVAILABLE MARKET DATA (SALES, LISTINGS, PENDING SALES, ETC.), CURRENT MEDIA OUTLETS (NEWSPAPER, RADIO, TV, ETC) PROMINENT REALTORS WITHIN THE AREA HAVE ALSO CONFIRMED THAT VALUES HAVE NOT ONLY BEEN RELATIVELY STABLE. THIS IS A DIRECT RESULT OF SUPPLY AND DEMAND BEGINNING TO BALANCE OUT, AS WELL AS THE SUBJECT'S MARKET AREA BEING KNOWN FOR ITS GOOD HOUSING DEMAND.				
NOTWITHSTANDING ANYTHING TO THE CONTRARY, THIS APPRAISAL REPORT IS NOT INTENDED TO SUBSTITUTE FOR A HOME INSPECTION. TO THAT END, NEITHER THE APPRAISER, NOR THIS REPORT, WARRANTS ANYTHING HAVING TO DO WITH THE PRESENCE (OR LACK THEREOF) OF DEFECTIVE DRYWALL, MOLD, AND/OR FUNGUS. A REPORT GENERATED BY STATE LICENSED PROFESSIONAL IS RECOMMENDED. NEITHER THE APPRAISER, NOR THE CONTENTS OF THIS REPORT, IS TO BE RELIED UPON FOR ANYTHING OTHER THAN TO PROVIDE AN OPINION OF VALUE FOR RESIDENTIAL REAL ESTATE, AS OF THE DATE OF THE REPORT. FURTHER, THE PUBLIC RECORDS HAVE BEEN SEARCHED FOR INFORMATION HAVING TO DO WITH THE GENERAL INFORMATION AND SALES ACTIVITY, AND AS SUCH- THIS REPORT IS NOT INTENDED TO BE RELIED UPON AS A TITLE SEARCH OR EXAMINATION.
